© July 2009  
 Reproduction of the contents of this map in any manner whatsoever is prohibited without the prior consent of the publisher.

*The information within this map is based upon or drawn from various authoritative sources and whilst all reasonable care has been taken in the preparation of this map no warranties can be given as to its accuracy and/or no reliance should be placed upon the same without further detailed inspection and survey. The publishers cannot therefore accept any liability or responsibility for any loss or damage and indeed would be grateful to receive notification of any errors or inconsistencies. No reproduction whatsoever of this map or any part thereof is permitted without the prior consent of the copyright owners. Respect the land around the base, and do not trespass on or damage any property. Take your rubbish and litter home with you. Do not park in front of crash gates, or on the access tracks leading to them. You will almost certainly be asked move your vehicle as parking here can impede rapid access by the airfield crews to any emergency.*

## RADIO FREQUENCIES

Frequency	Usage
130.675	Tower
